

# “The Future is transdisciplinary, but how do we achieve that in urban science and engineering?”

未来は融合とともにある — 都市科学・工学における学際領域の可能性

**a talk by**

**Prof. Nick Tyler**

**Chadwick Professor of Civil Engineering,  
UCL**

2017/09/26 (Tues)

17:00-19:00

I6-404

Language: English

Free and open to all at Tokyo Tech

Inquiries: Associate Professor Tom Hope  
Department of Transdisciplinary Science and Engineering
